### EXPLANATORY NOTES ON SPECIAL BUSINESS TO BE TRANSACTED STATEMENT PURSUANT TO ARTICLE 61 OF THE CONSTITUTION OF THE COMPANY

#### Ordinary Resolution 10

Ordinary Resolution 10 is to empower the directors to issue shares of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to an amount not exceeding in total 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings), with a sub-limit of 10% for issues other than on a *pro rata* basis to shareholders of the Company. The 10% sub-limit for non-*pro rata* share issues is lower than the 20% sub-limit allowed under the Listing Manual of the SGX-ST. The Company is seeking approval from shareholders for a lower sub-limit for non-*pro rata* share issues as it does not anticipate that it will require a higher sub-limit before the next Annual General Meeting. For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) at the time that Ordinary Resolution 10 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which were issued and are outstanding or subsisting at the time that Ordinary Resolution 10 is passed, and (b) any subsequent bonus issue or consolidation or subdivision of shares.

#### Ordinary Resolution 11

Ordinary Resolution 11 is to renew the mandate to enable the Company, its subsidiaries and associated companies that are entities at risk (as that term is used in Chapter 9), or any of them, to enter into certain interested person transactions with certain specified classes of interested persons as described in Appendix 1 to the Letter. Ordinary Resolution 11 will, if passed, continue to be in force until the conclusion of the next Annual General Meeting of the Company.

#### Ordinary Resolution 12

Ordinary Resolution 12 is to renew the mandate to enable the Company to purchase or otherwise acquire its issued Shares, on the terms and subject to the conditions set out in the Resolution.

The Company intends to use internal and external sources of funds to finance its purchase or acquisition of Shares. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the Company’s financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of Shares purchased or acquired, whether the purchase or acquisition is made out of profits or capital, the price at which such Shares were purchased or acquired and whether the Shares purchased or acquired are held in treasury or cancelled.

Based on the existing issued Shares of the Company as at 27 May 2022 (“**Latest Practicable Date**”) (out of which 25,511,422 Shares were held in treasury and no shares were held as subsidiary holdings as at the Latest Practicable Date), and assuming that on or prior to the Annual General Meeting, (i) no further Shares are issued, (ii) no further Shares are purchased or acquired, or held by the Company as treasury shares, and (iii) no Shares are held as subsidiary holdings, the purchase by the Company of 10% of its issued Shares (excluding the 25,511,422 Shares held in treasury) will result in the purchase or acquisition of 224,957,810 Shares.

In the case of both market purchases and off-market purchases by the Company and assuming that the Company purchases or acquires the 224,957,810 Shares at the Maximum Price of S\$0.715 for one Share (being the price equivalent to 5% above the average of the last dealt prices of the Shares for the five consecutive market days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 224,957,810 Shares is S\$160,844,834.

The financial effects of the purchase or acquisition of such Shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Group and the Company for the financial year ended 31 March 2022 based on these assumptions are set out in paragraph 3.7 of the Letter.

#### Ordinary Resolution 13

Ordinary Resolution 13 is to approve the extension of, and alterations to, the Plan, which is due to expire on 27 June 2023. The rationale for the proposed extension of the Plan and summary of the principal proposed alterations to the Plan are set out in paragraphs 4.2 and 4.4 of the Letter, respectively.

If passed, Ordinary Resolution 13 will also empower the directors to grant awards in accordance with the provisions of the Plan (as altered) and to allot and issue from time to time such number of fully paid-up ordinary shares of the Company as may be required to be delivered pursuant to the vesting of awards under the Plan (as altered), provided that the aggregate number of new ordinary shares allotted and issued and/or to be allotted and issued pursuant to the Plan (as altered) and the Singapore Post Share Option Scheme 2012 (“**2012 Scheme**”) does not exceed 5% of the total number of issued ordinary shares (excluding treasury shares and subsidiary holdings) from time to time.

Although the Rules of the Plan (as altered) and the 2012 Scheme will provide that the maximum aggregate number of new ordinary shares which may be issued under the Plan (as altered) and the 2012 Scheme is limited to 10% of the total number of issued ordinary shares (excluding treasury shares and subsidiary holdings) from time to time, Ordinary Resolution 13 provides for a lower limit, namely, 5% of the total number of issued ordinary shares (excluding treasury shares and subsidiary holdings), as the Company does not anticipate that it will require a higher limit before the next Annual General Meeting.
